

WINTER BUGGY INFORMATION

As we are now approaching the winter months it is more likely that “Buggy Bans” will be in place. As usual, these decisions will be made on a daily basis, so if you do have a buggy booked or intend to use your own, please ensure you contact the Professional shop to ensure the buggies are in use.

When using a buggy, please make sure you use all paths provided and please **DO NOT** cross the white lines on the approach to the greens. Please keep at least ten yards away from the Tees and Green surrounds. Please go diagonally up and down slopes and always park facing downhill to avoid wheel spins as you pull off.

Please refer to our buggy policy on the notice boards for more information.

Following these simple guidelines will help keep the buggies on for longer, keeping you safer and protecting the course.

thank you!
