

MGC Website: Diary Synchronisation

If you have a smartphone or tablet or use a diary on your computer, you can sync it with the golf club diary. Any time that an event is added or updated in the club website diary, it will automatically update on your device (as long as you are connected to the internet or phone network) - Never miss a club event again!

Go to the **Diary Synchronisation** page in the Members Only Area and tick the categories of event and groups that you are interested in.

Then follow the “How to subscribe” instructions at the bottom of the webpage.
